VIRGINIA MICROELECTRONICS CONSORTIUM (VMEC) 2021 SCHOLAR INTERNSHIP PROGRAM

Undergraduate Summer Scholars Exchange Program

Virginia’s best summer research program in microelectronics

May – August, 2021

VMEC has rapidly growing research and education opportunities in the field of microelectronics. If you are currently a junior or senior in a 4-year degree program at a university in Virginia, if you are a student at a community college in Virginia that has already been accepted to one of the participating 4-yr engineering schools, you are eligible to join us for a summer internship that will give you a hands-on, state-of-the-art research experience. The VMEC internship provides excellent technical knowledge as well as industrial and academic contacts for your career development.

Financial Benefits
• Stipend: $725/week for 12 or 13 weeks (i.e. about $9k for summer).

Academic Benefits
• Research experience
• Guidance of mentor
• Hands on experience

Internship Requirements
• Must attend June kick-off meeting and give introductory oral report.
• Must work 12 or 13 weeks on project at location other than home school.
• Must attend the August scholar presentation meeting and give an oral report and poster.

Application Process
• The VMEC Application process is all electronic.
• Email all application materials to vmec.scholars@gmail.com (pdf or Word format) (reference letter should be sent directly by recommender from their e-mail address)

Application Information:
• Application Deadline: October 30, 2020. Application period is now open.
• Strong preference is given to candidates with a 3.0 GPA or better.
• Letter of recommendation required (from a technical mentor or professor is preferred).
• Final Decision: All candidates will be notified of final decisions by December 18, 2020.

Participating Internship Locations:
• BAE Systems
• George Mason University
• Micron Technology
• William and Mary
• Norfolk State University
• Old Dominion University
• University of Virginia
• Virginia Commonwealth University
• Virginia Tech
